
Release Notes 2.1.9

August 22, 2004

The following items have been moved (migrated) to Production for use by Agencies beginning on August 22, 2004.

- An update was made to remove the health benefit plan 'KA', which became inactive effective on 9/30/04.
- A fix was applied to the PSP LOS process. The PSP LOS program was not selecting the correct employees based on effective date. This issue began occurring in April 2004. A list of affected employees will be sent out to the agencies for manual processing.
- The following online edits were added to EHRP:
 - For employees in the GS and GM pay plans in Tenure Group 1 or 2 and not on retained pay, the following WGI edits were added:
 - If step is less than 10, then WGI Status cannot be N/A.
 - If step is less than 10, then WGI Due Date cannot be blank.
 - If step is 10, then WGI status must be N/A.
 - If step is 10, then WGI Due Date must be blank.
 - If an employee's pay rate determinant is Special Rate, then the pay table must be a special pay table.
 - If an employee's pay rate determinant is Regular Rate, then the pay table cannot be a special pay table.
- The following pay tables were updated in EHRP: 0138 and WB/0000.
